Why Private Lessons?

- * Whether Figure or Hockey, Beginner or Advanced, private lessons are a great way to advance your skating skills!
- * Learn programs for upcoming competitions or shows.
- * One on One time with a Professional Ice Skating Instructor.
- * Can increase basic skating skills in order to play hockey.

How do I set up a private lesson?

Please give us a day and time that best suits you. If you don't have a coach in mind one will be assigned to you. They will call and arrange a lesson.

All Sherwood Ice Arena coaches are independent contractors who use Sherwood Ice Arena to teach private lessons. Therefore they set their own fees and schedules.

These fees are for instructions only.

THEY DO NOT INCLUDE ADMISSION AND/OR SKATE RENTAL.

All of Sherwood Ice Arena Figure Skating coaches belong to the (PSA) Professional Skaters Association. Each coach is working individually on becoming more experienced and knowledgeable through continuing education with the PSA.
